

## TECHNOLOGY STUDENT ASSOCIATION WORK LOG

Date	Task	Time involved	Team member responsible (student initials)	Comments
01/16/26 1.	Started planning the theme for the website	1 hour	SV AP	First read through the directions and this years theme. Then figured out the fonts, color scheme, how to plan out on the work by assigning each other tasks. Later came across bootstrap to help us with the program and decided the name of the project.
01/18/26 2.	After having the information, started making all the pages and started working on the homepage	2.5 hour	SV	Using a little help from bootstrap, made the code for the theme and started with the homepage, the title and the format. Took a little longer to get used to the commands in html.
01/19/26 3.	Finished working on the home page and the next page Worked on the third page on the website	4 hour	SV	Using the theme from previous page, started programming the next page which was the support services. Got an explanation on what the community does and some contacts that can people can reach out too. Still using the format from previous pages, started working on the community events page, which the information has already been gathered.
01/20/26 4.	Finished off the third page and moved onto the fifth	1.5 hours	SV	Making some last minute touches of the text and formatting on previous page. Then moved onto the fifth page, skipping the fourth because it was the resource page and was going to be altered at the end. The fifth page is the Member Spotlight/stories, featuring a google form for the readers to fill out if they want their story to be on the website. Also this page has a "coming up" poster saying that the stories given by readers are not yet uploaded but soon will.
01/21/26 5.	Finished the fifth and sixth page this day	1.5 hours	SV	Made some minor changes to the fifth page, then moved onto the sixth page, which shows people's create work that have been shared. There also another poster for coming soon because there has not been any work submitted but will be posted there as soon as the work comes through.
01/23/26 6.	Worked on pages seven and eight	1.5 hours	SV	The seventh page is about the local news. we had one news so far so we have added that, when we get more we will add the rest. The eighth page is the getting involved page. This talks about so opportunities to help this community hub thrive.
